Activities

The company provides IT consulting and audit, software development, managed IT services and hosting. The activities registered with the Crossroads Bank for Enterprises are NACE-BEL codes 62.100 (computer programming activities), 62.200 (computer consultancy and computer facilities management), 62.900 (other information technology service activities), 63.100 (computing infrastructure, data

processing, hosting and related activities) and 82.990 (other business support service activities). None of these is a regulated profession, and none is subject to a prior authorisation regime in Belgium.

Services are governed by the terms and conditions, available before any order. Prices are set by quote and are exclusive of VAT unless stated otherwise.

Professional liability insurance

The company holds insurance covering its general and its professional civil liability with AG Insurance SA, boulevard Émile Jacqmain 53, 1000 Brussels, a Belgian insurer authorised under code 0079 and supervised by the National Bank of Belgium. Cover applies to the activities of the Belgian place of business within the European Union. Any business with a country outside the European Union needs the insurer's prior agreement.

Site hosting

The site is hosted by Scaleway SAS, 8 rue de la Ville l'Évêque, 75008 Paris, France. Data is hosted in the European Union.

Personal data

How personal data is processed is described in the privacy policy and the cookie policy. The contact point for any question about data is privacy@avanserv.com. The competent supervisory authority is the Data Protection Authority, rue de la Presse 35, 1000 Brussels.

Contact point under the Digital Services Act

For the hosting services the company provides, the single contact point required by articles 11 and 12 of regulation (EU) 2022/2065 (the Digital Services Act), for authorities and for recipients of the service alike, is abuse@avanserv.com. Communications may be addressed in French or in English. Reports of unlawful content follow the procedure described in the acceptable use policy.

Intellectual property

This site's content (text, graphics, logos, code) is protected by copyright and remains the property of the company or of its licensors. Reproducing or reusing it for anything beyond personal consultation needs prior written agreement.

Governing law

The site and this notice are governed by Belgian law. Any dispute falls to the courts of the judicial district of Namur, without prejudice to mandatory rules of jurisdiction.
